THE WEEKLY DIGEST

**VOL. NO. 77 NO. 9 SECTION TWO MAR. 4, 1979**

## INDEX TO VOLUME 76

### JULY THROUGH DECEMBER 1978

Items in QUOTE are arranged alphabetically according to subject matter. In the semi-annual index, the first numeral in each reference indicates the page, therefore, "ACTORS - 309" tells you that an item on actors will be found on page 309.

One or more letters following a page number refer to material in regular departments. For example: "Basketball - 21-SS" indicates that an item on that subject is in Sports Shots on page 21.

When the letter "F" follows a page number, this refers to filler material printed on that page.

A complete list of department abbreviations appears below:
